Summary

Income – D – Allocation and Deeming

- WAC 388-450-0140** Amended WAC to implement new federal regulations on counting the income and resources of ineligible ABAWDs and felons.
- For drug-related and fleeing felons, we count all of the client's income, expenses, and resources to the eligible members of the AU.
 - For ineligible ABAWDs, ineligible aliens, and clients ineligible for not providing their social security numbers, we count all of the client's resources and utility expenses, and count a prorated share of the client's income and non-utility expenses.

Clarified how we count a client's income and expenses if a client was ineligible for more than one reason.
